## CLUBSTER

Welcome to the world of River Strand Social Media!!

Clubster is such a wonderful avenue to get up to date event information. River Strand Administration is excited to be able to show you fun & new news in one easy location.

Once you are logged in you are able to scroll through posts to potentially find some answers to some questions you may have.

This is also a place where we will be able to announce cancellations of events potentially due to lack of participation or weather.

We are currently in the process of adding sub-groups to our community page for the committees to also be able to communicate within the members interested in that particular group!!! Email <a href="mailto:lifestyle@riverstrandgolf.com">lifestyle@riverstrandgolf.com</a> to receive a Clubster Invite.
